35 Explicit A Short Film About Pixels! This week we talk about Pixels. What it's about: An indie documentary, set on the set of a movie, in the 80s. How did we get caught up? When did we start to hate it? We start off by talking about what we all thought of Pixels when we heard it: a pretty decent movie on the surface. But what made you say, "That's really bad". And then we move to some random thoughts: We also talk about what made us hate the original Jurassic Park. Pixels was a pretty terrible movie. Which is what made us hate it. And then..
